An initiatic journey into the Mysteries of the Goddess and humanity's return to an age of peace and celestial light • Details the ceremonies and rituals of initiation into the Fellowship of Isis • Reveals the lost teachings of Jesus about the Divine Mother and Father and how the goddess Sophia is connected to Mary Magdalene as the Female Christ • Explores the many archetypes of the Goddess, including Isis, Brigit, and the Black Madonna, and how we can transform into Homo luminous, spiritual beings of light Called through her dreams by the Priestesses of Isis, Tricia McCannon set out on a spiritual journey into the Mysteries of the Goddess. After a fateful encounter with a high initiate of the ancient Fellowship of Isis, she began researching the history of Judaism and Christianity to find out how and when the Divine Feminine became lost. She discovered a forgotten age when the Creator was honored as female and humanity lived in peaceful societies completely free of war. She shows how we can return to an age of peace and celestial light if we work to bring the masculine and feminine energies of the world back into balance. Sharing her journey into the heart of the Divine Mother, McCannon details her initiation into the Fellowship of Isis, a process rich with ceremony, ritual, and myths of the Goddess from ancient Egyptian, Celtic, Greek, Hebrew, and Native American traditions. She reveals how the many archetypes of the Goddess, including Isis, Ishtar, Brigit, and the Black Madonna, can become our allies for self-transformation. She explores Mysteries at the heart of Christianity that have remained hidden for nearly 2,000 years and how the Gnostic goddess Sophia is tied to the Second Coming, Mary Magdalene, and the Female Christ. She reveals the lost teachings of Jesus about the Divine Mother and Father and about the Divine Daughter and Son. Through her story and her in-depth research, McCannon takes us on a journey to awaken the creative power of the Divine Feminine within each of us. Equipped with the teachings of the Goddess, we gain the mastery to overcome the deeply rooted masculine-feminine imbalance of the patriarchy and to embark into the future as Homo luminous, beings of light.

The Faust legend seen as a transmission of core Gnostic teachings disguised as a morality tale • Shows the 16th-century Faust text to be a coded, composite Gnostic creation myth • Identifies the many Hermetic, alchemical, and Tantric symbols found in Faust that signify worship of the divine feminine through sacramental sexual practices • Reveals a mystical process of spiritual salvation, as distilled from esoteric traditions In *The Gnostic Faustus*, Ramona Fradon shows the legend of Doctor Faustus to be a composite Gnostic creation myth that reveals the process of spiritual salvation. Nearly every element of the original 16th-century text is a metaphor containing profound spiritual messages based on passages of Coptic and Syrian Gnostic manuscripts, including the Pistis Sophia and The Hymn of the Pearl. Fradon identifies many Hermetic, alchemical, and Tantric symbols in the Faust Book that accompany the story of Sophia, the goddess of wisdom, whose troubled journey to salvation is a model for human spiritual development. Extensive line-by-line text comparisons with these Gnostic manuscripts show that Faustus's corruption by the Devil and his despair parallel Sophia's transgression and fall, and that his tragic death is a simple reversal of her joyful rebirth, so written in order to make an otherwise heretical story palatable to Church authorities at that time. Fradon demonstrates that the Faust legend is a vehicle for transmitting antiquity's secret wisdom. It provides an account of spiritual initiation whose goal is ecstatic revelation and union with the divine. The elements of alchemy, sacramental sex, and worship of the divine feminine that are encoded in the Faust Book reveal the same hidden goddess-worshipping tradition whose practices are hinted at by the writings of Renaissance magi such as Cornelius Agrippa and Giordano Bruno.

The Most Dangerous man since Jesus Christ, the Sex Guru, the Ambassador from Hell, the Black Devil of Ashkhabad, The King of Depravity, and the Wickedest Man in the World. These were some of the labels given to three of the most notorious figures of 20th century spirituality: Osho (formerly known as Bhagwan Shree Rajneesh), G.I. Gurdjieff, and Aleister Crowley. Beneath the controversies and scandals that swirled around all three the author argues that these men, egocentric tendencies notwithstanding, were brilliant thinkers and extraordinary masters of their craft, that of the science of inner transformation, and in particular the art of balancing the so called Left and Right Hand spiritual paths. These men were not humble sages. They were bona fide crazy wisdom masters and consistently went where angels fear to tread. They did not teach with the faint praise of new age fluff or the stuffy platitudes of religious sermons, but rather with a flaming sword, and were a genuine menace to all seekers who fear to face the abyss of their own egos.

Not all history has been written on the battlefield--there's been plenty of world-shaping action taking place in the boudoir as well! In this sizzling survey of sexuality and sexual mythology from around the globe, you'll find out how the pursuit of carnal pleasures and sensuality has played a pivotal cultural and historic role, from explaining humankind's origins to defining group morality and achieving communion with the divine. Meticulously researched text and hundreds of color photographs and illustrations expose the full spectrum of our sacred sexuality and its impact on civilizations and cultures across the ages. Egyptian fertility rites, Tantric Buddhism and sexual imagery in the Roman Empire are all featured. The sensual legends of such cultures as the Hindus, Greeks and Celts reveal yet another extraordinary link in the chain that binds us together as sensual beings whose highest expressions of ecstasy are grounded in the ultimate questions of existence and renewal.

Say "body modifications" and most people think of tattoos and piercings. They associate these mainly with the urban primitives of the 1980s to today and with primitive tribes. In fact, as this fascinating book shows, body mods have been on the scene since ancient times, traceable as far back as 1.5 million years, and they also encompass sacrifice, branding, and implants. Professor John Rush outlines the processes and procedures of these radical physical alterations, showing their function as rites of passage, group identifiers, and mechanisms of social control. He explores the use of pain for spiritual purposes, such as purging sin and guilt, and examines the phenomenon of accidental cuts and punctures as individual events with sometimes profound implications for group survival. *Spiritual Tattoo* finds a remarkable consistency in body modifications from prehistory to the present, suggesting the importance of the body as a sacred geography from both social and psychological points of view.

What would it be like to know that you are indeed immortal, that your physical body is but the outward form taken by your own eternal inner form or soul body? What would it be like to dissolve the bodily boundaries that seem to separate you from the souls of others, learning to feel your soul in their body and their soul in yours? What would it be like to see and feel your partner as the embodiment of a god or goddess, and to experience the bliss of 'soul body sex' - an intensely sensual intimacy and intercourse with their divine soul body? The New Yoga is a yoga of the soul body - that body with which we can intimately sense, feel and touch others - independently of physical contact. The New Yoga is also 'Tantra Reborn', giving rebirth to the tantric tradition known as Kashmir Shaivism through a wholly new understanding of its sexual symbolism and of 'tantric sex' - seen not merely as a heightening or spiritual elevation of bodily sex, but as an expression of the sublime sensuality and divine sexuality of the soul and its body. 'Tantra Reborn' explains in detail the anatomy, nature and powers of the soul body, its relation to gender and sexuality, to tantric initiation and to the traditional tantric symbolism of 'Shiva-Shakti' and 'Kundalini'. It also offers a practical guide to experiencing the bliss of soul body intercourse through new and original forms of tantric pair and partner meditation.

Rediscover the lost ancient mystery teachings of the Cosmic Womb • Explains how each of us has a holographic blueprint of the Womb of Creation, our spiritual Womb • Offers practices to help awaken your spiritual Womb, experience the Womb of God within, and activate the Womb's sacred magic of creation and manifestation • Looks at the power of the moon and its connection to sacred Womb

Consciousness • Explores how the lost Womb mystery teachings were encoded in folk and fairy tales, the legends of the Holy Grail, and the traditions of Mary Magdalene and Sophia • Includes access to three guided Womb Awakening audio journeys The Ancients lived by a feminine cosmology of creation, where everything was birthed and dissolved through a sacred universal Womb. Within each of us, whether female or male, lies a holographic blueprint of this Womb of Creation, connecting us to the Web of Life. By awakening your spiritual Womb, the holy of holies within the temple of your body, you can reconnect to the transformative energy of Womb Consciousness and reclaim your sacred powers of creation and love. Drawing on mythical and spiritual traditions from almost every culture, Dr. Azra and Seren Bertrand reconstruct the moon-based feminine mystery teachings of a lost global Womb religion, tracing the tradition all the way back to the Neanderthals and beyond. They explore how these teachings were encoded in the symbolism of folk and fairy tales; the legends of the Holy Grail; the traditions of Mary Magdalene and Sophia; the maiden, queen, and crone archetypes; and the teachings of alchemy and the chakras. They show how sages and shamans across the globe all secretly spoke of the Cosmic Womb and the sacred creative powers of Moon Blood. The authors look at the power of the Moon and its connection to sacred Womb Consciousness, offering meditations and practices to help awaken your spiritual Womb and activate its sacred magic of creation and manifestation. They explain how to activate the energetic gateways of the Womb and merge the heart and Womb to make sexual union the highest sacrament of love. Revealing how we must reconnect with the Divine Feminine to rebirth the Divine Masculine and restore balance to our world, they show how, as we reawaken the powerful ancient path of the Womb Mysteries, we help return our world to harmony with the wild, untamed creative flows and cyclical rhythms of the cosmos.

A comprehensive work on the metaphysical aspects of sexuality. Julius Evola sheds new light on the mystical and spiritual expression of sexual love. This in-depth study explores the sexual rites of sacred traditions, and shows how religion, mysticism, folklore, and mythology all contain erotic forms in which the deep potentialities of human beings are recognized.

The domain of spirituality, separated from its theological overburden, believes in the existence of a spiritual self, presumed to be distinctly separate from the psychological self. The spiritual eternal self, also known as the soul or spirit (sometimes supported by an overarching Spirit), is asserted to be operating behind the ephemeral self. This book takes a contrarian stance; it argues that the premise of the soul concept is obtained through the magic of language, maintained through the marvel of the brain's biochemistry, and sustained through the mirage of the psychological juggernauts of the brain. The magic, the marvel and the mirage, together, bring about subtle shifts as the linguistic brain suppresses many psychological details, habitually applies mental templates such as inversions and dichotomies, and enhances its language by coining religious and spiritual metaphors. The consequence of these changes is that the usual flickering self begins to be impressed by itself, believing it is buttressed by something transcendental and eternal within: the soul or the spirit. The self, although indoctrinated during its formative years, also begins to assimilate and accept the opinion that the overwhelming weight of religious doctrines and dogmas, the overburden, signifies as the legitimate proof for the eternal soul.

Islam, Shalom and good will to those of the good will. This work is a combination of philosophies that are proven and verifiable, designed to bridge the gap between the abstract and the concrete. To quote an aspect of the divine feminine, "everything is on the other side of your sacrifice" and to sacrifice is to use your essence/energy to tap into your best reflection which is divine by nature. Life is science and science is built with formulae and formulae produces results which manifest what we think, see and experience. The great work deals with the S.E.L.F (Sacred Eternal Life Force) and purifying the temple (body) so as to exist in a perpetual state of sublime and bring that light (Love) to the Earth Plane which is the upliftment of humanity and the binding/destruction and the casting out the beast (lower nature) in the Garden (Consciousness). Be studious, be disciplined, be courageous (truthful), be Moor.
