Thom Hartmann's own dramatic spiritual journey that illuminates specific techniques for achieving spiritual transformation • Recounts travels to the farthest corners of the earth in pursuit of universal spiritual truths • Reveals the teachings of Hartmann's spiritual guides, providing an intimate glimpse into his relationship with German mystic Herr Müller • Offers practices and techniques for readers seeking to grow spiritually In the course of his work for the charitable organization Salem, Thom Hartmann personally witnessed famine in Uganda, chaos in Russia, and genocide in Colombia--all signs that modern cultures have lost the connection to the sacred, both within and without, that was emblematic of older cultures. To truly flourish, the human spirit needs to be present in its surroundings and attuned to the Now. It needs to act on what it knows is possible and to experience how the smallest actions can have massive consequences. This is the reality of the Prophet's Way, a path--both literal and figurative--that the author walked with his spiritual mentor Herr Müller that skirts the edge of the precipice, where one can experience a truly spontaneous life under seemingly overwhelming and impossible circumstances. In *The Prophet's Way*, Thom Hartmann shares his intense spiritual journey, a story that melds recent discoveries in science with ancient truths. Through insightful and engaging vignettes Hartmann teaches that accepting the challenge to have faith means living on the edge--remaining in the moment--because it is here where the material and spiritual worlds meet. He offers readers a unique view into his experiences of expanded consciousness, providing a powerful example of how we can re-create our future by reconnecting to the sacred heartbeat of the world.

In 1950, as a young bride, Margaret Laurence set out with her engineer husband to what was then Somaliland: a British protectorate in North Africa few Canadians had ever heard of. Her account of this voyage into the desert is full of wit and astonishment. Laurence honestly portrays the difficulty of colonial relationships and the frustration of trying to get along with Somalis who had no reason to trust outsiders. There are moments of surprise and discovery when Laurence

exclaims at the beauty of a flock of birds only to discover that they are locusts, or offers medical help to impoverished neighbors only to be confronted with how little she can help them. During her stay, Laurence moves past misunderstanding the Somalis and comes to admire memorable individuals: a storyteller, a poet, a camel-herder. The Prophet's Camel Bell is both a fascinating account of Somali culture and British colonial characters, and a lyrical description of life in the desert. "The Prophet's Camel Bell has a timeless feeling about it that sets the work quite apart from the usual books of travel and adventure in distant and exotic parts."—Canadian Literature

He was also made a prophet by Allah. The story of Hajj, the pilgrimage to Makkah, begins over 4000 years ago when, following the Divine command, the Prophet Ibrahim travelled for a long distance till he reached the hot, barren lands of Arabia. There he left his wife, Hagar, and his little baby, Ismail. The story goes on to tell how Hagar struggled to find water for her baby and how at last the miraculous Zamzam spring came gushing out and saved their lives. This is followed by the great sacrifice of Ibrahim, the building of the Kabah and the call to Hajj. This book explains the importance of the annual pilgrimage—one of the pillars of Islam—with a special focus on the Prophet Muhammad's Hajj. These exciting historical events are presented in a simple, informative style, with beautiful illustrations, so that young people may understand and enjoy them. The book presents the life of the Prophet Muhammad, upon whom be peace, from his childhood in the desert to his divine mission and early preaching in Makkah. It goes on to describe the hostility of Makkans towards his message, their total boycott of him and his family, the Night Journey to seven heavens and the migration from Makkah to Madinah. In Madinah he was welcomed and lived there for ten years teaching and calling people to the divine truth. His life went through stages of poverty, prosperity, defeat and success. Yet whatever his state of well-being or hardship, he never once strayed from the path of moderation. At all times, and right till the end, he remained the patient and grateful servant of the Almighty, bringing his message of peace and truth to all mankind.

Muslim preaching has been central in forming public opinion, building grassroots organizations, and developing leadership cadres for the wider Islamist agenda. Based on in-depth field research in Egypt, Patrick Gaffney focuses on the preacher and the sermon as the single most important medium for propounding the message of Islam. He draws on social history, political commentary, and theological sources to reveal the subtle connections between religious rhetoric and political dissent. Many of the sermons discussed were given during the rise of Islamic fundamentalism, and Gaffney attempts to describe this militant movement and to compare it with official Islam. Finally, Gaffney presents examples of the sermons, so readers can better understand the full range of contemporary Islamic expression.

Named by Time magazine as one of the 100 most important innovators of the century, Tariq Ramadan is a leading Muslim scholar, with a large following especially among young European and American Muslims. Now, in his first book written for a wide audience, he offers a marvelous biography of the Prophet Muhammad, one that highlights the spiritual and ethical teachings of one of the most influential figures in human history. In the Footsteps of the Prophet is a fresh and perceptive look at Muhammad, capturing a life that was often eventful, gripping, and highly charged. Ramadan provides both an intimate portrait of a man who was shy, kind, but determined, as well as a dramatic chronicle of a leader who launched a great religion and inspired a vast empire. More important, Ramadan presents the main events of the Prophet's life in a way that highlights his spiritual and ethical teachings. The book underscores the significance of the Prophet's example for some of today's most controversial issues, such as the treatment of the poor, the role of women, Islamic criminal punishments, war, racism, and relations with other religions. Selecting those facts and stories from which we can draw a profound and vivid spiritual picture, the author asks how can the Prophet's life remain -- or become again -- an example, a model, and an inspiration? And how can Muslims move from formalism -- a fixation on ritual -- toward a committed spiritual and social presence? In this thoughtful and engaging biography, Ramadan offers Muslims a new understanding of Muhammad's life and he introduces non-Muslims not just to the story of the Prophet, but to the spiritual and ethical riches of Islam.

"The first anthology to compile the most significant non-Islamic sources for understanding the rise of Islam. Early Islam has emerged as a lively site of historical investigation, and scholars have challenged the traditions of both Islam and its academic study by drawing attention to the wealth of non-Islamic sources that describe its rise. A Prophet Has Appeared brings this approach to the classroom. The collection provides students with carefully selected, introduced, and annotated materials from non-Islamic records dating to the early years of Islam, which students and scholars can read alongside the Qur'an and later Islamic materials. Applying historical-critical analysis, the volume aims to place these invaluable sources on more equal footing with the much later Islamic narratives about Muhammad and the formation of his new religious movement. The sourcebook includes new English translations of twenty different authors or sources. Initially written in many languages-not just Greek and Latin, but Syriac, Georgian, Armenian, Hebrew, and Arabic-these

texts span a broad geographic expanse from England to Egypt and Iran. Ideal for the classroom and personal library, readers will gain the tools to meaningfully approach a new, burgeoning area of Islamic studies"--

When the powers of the Evil One threaten to destroy eighth-grader Jonah and the other humans who are one-quarter angel, Jonah is led by a series of visions to find the one person who is meant to call upon God's faithfulness and save them--a prophet of Elohim.

The greatest hope of all the religious groups that awaited for scores of centuries with a dogma of their own Holy Books which witnessed the glory and the majesty of that personality called as 'Muhammad' and 'Ahmad' – 'the Glorious' and 'the Praised', on whom be peace and lasting blessings, which certainly got fulfilled when he finally arrived on the stage of the history. The Scriptures of the Prophets that went before him ended their tasks by heralding the tiding of his coming.

Despite the textual corruption of those ancient scriptures, the golden sayings were still preserved by ALLAH, the One True God as a signpost for the honest and noble readers. The seekers of truth! Be certain of the fact that Prophet Muhammad (Peace Be Upon Him) was the promised Prophet and the awaited saviour whom the Jews called as the King Messiah. His coming was prophesied by all the Prophets like Moses and Jesus (Peace Be Upon Them) long before his arrival, and he was also mentioned in the Old and New Testaments. Likewise, the Far East Indian scriptures never failed to mention 'his name and praises' which certainly constitute a miracle pertaining to him and confirming his Prophethood. In the light of the above facts, how could a man of wisdom escape from this overwhelming thought? Or will he still deny this truth? Or will he still await and hope that from Heaven angels would come and guide him when the final Message has already been delivered by 'Muhammadur Rasul ALLAH' to the creation of ALLAH in general, on whom be peace and lasting blessings? Indeed, it is ALLAH, the Lord of the worlds Who Himself calls on us to acknowledge this truth in the Holy Quran: "O mankind! The Messenger (Muhammad, on whom be peace and lasting blessings) hath come unto you with the Truth from your Lord. Therefore believe; (it is) better for you. But if ye disbelieve, still, lo! Unto ALLAH belongeth whatsoever is in the heavens and the earth. ALLAH is ever Knower, Wise" - (4:170).

Ninth century BCE. In the middle of a severe drought, a young Phoenician widow named Arishat is on the brink of starvation. When she prays to her goddess, Asherah, for help, Elijah, a prophet of Israel arrives at her door with bread, oil, and an allegiance to the god Yahweh. Willing to accept Elijah's help, but not his god or his vow of celibacy, Arishat follows him to Israel determined not only to win his love but also to convince him of his need for a goddess. However, as she becomes embroiled in Elijah's mission against the corrupt King Ahab, she soon discovers a cause of her own among Israelite women trying to keep goddess traditions alive against the opposition of their men. Arishat will soon have to choose between her love for a man who rejects the goddess, and her loyalty to her own beloved Asherah. Brimming over with vibrant period detail and peopled with characters who bring these ancient times to life, *The Prophet's Woman* is a wonderful story and a fresh, well-needed addition to the genre of biblical historical fiction.

The life and legacy of one of Mohammad's closest confidants and Islam's patron saint: Ali ibn Abi Talib ?Ali ibn Abi Talib is arguably the single most important spiritual and intellectual authority in Islam after prophet Mohammad. Through his teachings and leadership as fourth caliph, Ali nourished Islam. But Muslims are divided on whether he was supposed to be Mohammad's political successor—and he continues to be a polarizing figure in Islamic history. Hassan Abbas provides a nuanced, compelling portrait of this towering yet divisive figure and the origins of sectarian division within Islam. Abbas reveals how, after Mohammad, Ali assumed the spiritual mantle of Islam to spearhead the movement that the prophet had led. While Ali's teachings about wisdom, justice, and selflessness continue to be cherished by both Shia and Sunni Muslims, his pluralist ideas have been buried under sectarian agendas and power politics. Today, Abbas argues, Ali's legacy and message stands against that of ISIS, Al-Qaeda, and Taliban.

This definitive sourcebook presents more than fifty authoritative new translations of key Islamic texts. Edited and translated by three leading specialists and clearly contextualized for introductory-level students, it illustrates the growth of Islamic thought from its seventh-century origins, through to the end of the medieval period. Eight thematically-organized sections cover the Qur'an and its interpretation, the life of Muhammad, hadith, law, ritual, mysticism, and Islamic history. Among the selections are Ibn 'Abbas's account of the heavenly journey; al-Taftazani on the uncreatedness of the Qur'an as God's speech; al-Farabi on the faculties of the soul; and extracts from Rumi's Mathnawi. Classical Islam includes a glossary, extensive bibliography and explanatory prefaces for each text. With many extracts translated here for the first time into English, this is an essential resource for the study of early and medieval Islam and its legacy.

The oldest Islamic biography of Muhammad, written in the mid-eighth century, relates that the prophet died at Medina in 632, while earlier and more numerous Jewish, Christian, Samaritan, and even Islamic sources indicate that Muhammad survived to lead the conquest of Palestine, beginning in 634-35. Although this discrepancy has been known for several decades, Stephen J. Shoemaker here writes the first systematic study of the various traditions. Using methods and perspectives borrowed from biblical studies, Shoemaker concludes that these reports of Muhammad's leadership during the Palestinian invasion likely preserve an early Islamic tradition that was later revised to meet the needs of a changing Islamic self-identity. Muhammad and his followers appear to have expected the world to end in the immediate future, perhaps even in their own lifetimes, Shoemaker contends. When the eschatological Hour failed to arrive on schedule and continued to be deferred to an ever more distant point, the meaning of Muhammad's message and the faith that he established needed to be fundamentally rethought by his early followers. The larger purpose of *The Death of a Prophet* exceeds the mere possibility of adjusting the date of Muhammad's death by a few years; far more important to Shoemaker are questions about the manner in which Islamic origins should be studied. The difference in the early sources affords an important opening through which to explore the nature of primitive Islam more broadly. Arguing for greater methodological unity between the study of Christian and Islamic origins, Shoemaker emphasizes the potential value of non-Islamic sources for reconstructing the history of formative Islam.
